

EMMANUEL CHRISTIAN

Athletic Investment Campaign

Be an ECS Athletic Sponsor, and watch our students grow. With your support we will be adding additional seating in the gym and lighting all of our athletic fields. You can be a part of providing the resources for students to use their talents and gifts that God has given them. All of our sponsors will receive recognition at all our fields and in the gym through a sponsorship display. Each level of support also brings with it additional opportunities for recognition.
